AUDITOR'S REPORT

GLEASON & DOW
Accountants and Auditors
75 Main Street
Ellsworth, Maine 04605

February 1, 1967

Board of Selectmen
Town of Gouldsboro
Gouldsboro, Maine

Gentlemen:

In accordance with Chapter 90-A, Revised Statutes of 1954, as amended, an audit has been conducted of the financial records of the Town of Gouldsboro for the fiscal year ended January 10, 1967.

Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the financial records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion the accompanying financial statements present fairly the financial position of the Town of Gouldsboro, at January 10, 1967 and the results of its operation for the year then ended.

Respectfully submitted,

GLEASON & DOW

COMMENTS

January 11, 1966 to January 10, 1967

An audit of the financial records of the Town of Gouldsboro has been completed for the fiscal year ended January 10, 1967. Our audit consisted of an examination of the records maintained by the municipal officials.

ASSETS

The general cash balance amounted to \$23,282.64 at January 10, 1967, of which \$12,174.46 was on deposit in the Bar Harbor Banking & Trust Company, Bar Harbor, Maine, \$8,636.89 was on deposit in the Union Trust Company, Ellsworth, Maine, and cash on hand amounted to \$2,471.29. The cash balance at the close of the fiscal year was reconciled with statements furnished by the depository banks and cash on hand was counted at audit date and reconciled back to the end of the fiscal year.

Accounts Receivable of \$2,104.70 represents the amount due from the State of Maine for snow removal.

Taxes Receivable amounted to \$4,516.54 at January 10, 1967, and is as follows:

1966 Taxes	\$ 3,891.43
1965 Taxes	136.68
1964 Taxes	185.42
1963 Taxes	71.95
1962 Taxes	120.91
1961 Taxes	59.00
1960 Taxes	10.15
1959 Taxes	41.00

Unpaid Tax Liens and Tax Acquired Property amounted to \$3,916.75. Liens were on file with the Treasurer-Tax Collector.

The reserve for uncollectible taxes appears to be sufficient to cover any possible losses.

DEBT FUND - Deferred Appropriation

Authority was given the selectmen and treasurer to borrow \$7,219.10 from the bank to purchase a new school bus. This amount was borrowed from the First National Bank of Bar Harbor and is due and payable in three equal annual installments.

TRUST FUNDS

Trust funds principals totaled \$6,337.61 and unexpended income amounted to \$151.33. These funds are represented in savings account deposits, investments and an amount due from the general fund.

Liabilities, Reserves and Surplus - - - The accounts payable represent amounts carried over from the prior fiscal year. \$36.00 is owed to Berthran D. Mercier and \$28.80 to Beatrice C. Buckley. As far as could be ascertained all amounts owed by the Town had been paid before the end of the fiscal year.

The departmental operating accounts showed a new unexpended balance of \$1,271.48, representing various operating account balances and overdrafts. Some of the operating account balances are carried forward to the ensuing year in accordance with legal requirements and or customary practice.

The unappropriated surplus amounted to \$33,207.93, an increase of \$5,501.55 over the preceding fiscal year. The increase was due mostly to net unexpended appropriation accounts lapsed, excise tax collections and overlay. At a special town meeting the townspeople authorized the selectmen to use \$3,300.00 from surplus to purchase a snow plow and wing.

GENERAL COMMENTS

While our examination did not include a detailed audit of the years transactions, we did make an extensive check of receipts and disbursements for the en-

tire year. Our examination did not include an audit of the school lunch program.

The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. We would recommend that the treasurer deposit all receipts in the different bank accounts intact.

We found the town records up-to-date and in order. Invoices and other data was on file at the selectman's office.

Surety bond coverage was reviewed and also insurance coverage on Town owned property.

Town of Gouldsboro, Gouldsboro, Maine

STATE PLUMBING CODE

Under authority conferred by R. S. 1954, c. 25, Sec. 13, and c. 200, Public Laws of 1959, the rules and regulations in relation to plumbing work done within this State, known as the Plumbing Code, previously adopted by the Department of Health and Welfare are hereby amended to read as follows:

Any person doing plumbing of any kind for himself or anyone else is required to get a permit before doing the work.

Penalty for doing such without a permit shall be punished by a fine of not less than \$10.00 nor more than \$50.00.

ALBERT R. HALLOWELL

				198

Custodian: Elmer Dorr \$45.00 a wk.

Bus Drivers:

David Shaw \$45.00 a wk.

Darrell Cowperthwaite \$45.00 a wk.

George Hammond \$45.00 a wk.

Orrin Whitaker \$60.00 a wk. (includes Secondary Conveyance)

Since September there has been a high enrollment of 210 students which currently has dropped to 198. The lack of room forced us to have a combination of grades 7-8 with an enrollment that reached 40 students at one point. This, of course, made a very overcrowded condition in the school's all-purpose room. Therefore, it appears that some construction must be undertaken and there is an article in the Warrant for that purpose.

In addition to the combination of grades 7-8 there are other classrooms where a few more students would lead to overcrowding and possible division of grades.

The elementary programs at Gouldsboro are functioning fairly smoothly and I feel that we have a very fine teaching staff as a whole. We hope that conditions will continue to improve so that your children may have the best education possible. The elementary program could be improved by the addition of a kindergarten program for five-year olds but this, too, would require more space and the addition of another faculty member.

Your pupils enrollment at Sumner Memorial High School is as follows:

FRESHMEN: Juanita Bagley, Annie Chipman, Maynard Chipman, Jr., Daniel Conley, Barbara Dumond, Karen Dumond, Raymond Dunbar, Valencia Dyer, Bernard Emerson, Jr., Elliott Foss, Jr., Candice Frazier, Linda Ghelli, Arlene Johnson, Laurie Jordan, Gary Moulton, Marleine Ross, Jackie Zeleniak.

SOPHOMORES: Susan Chipman, Lorraine Church, Clifford Colson, Jr., Mary Cowperthwaite, Betty Crowley, Ruby Crowley, Kathy Dumond, Cheryl Emerson, Harold Hammond, Robert Haycock, Alma Leighton, Linda Noonan, Steven Perry, David Potter, Anthony Rotta, Thomas St. Claire, Jennie Taggert, Dana Tracy, David Whalen, Arthur Young, Betty Farmer.

JUNIORS: Jane Chipman, Philip Church, Phyllis Conley, George Daley, Sharon Dumond, Carol Ghelli, Kathy Myrick, Joanne Standish, Jean Vance, Keith Young, Morris Young.

SENIORS: Kendell Campbell, Ninetta Conley, Lee Leighton, Terry Potter, Marileine Ross, Lawrence

Rotta, Bruce Simpson, Wanda Urquhart, Connie Young.

I have enjoyed working with the teachers, school committee, trustees and selectmen of Gouldsboro and hope that we may all continue to work for the best interests of your children.

The financial statement for the year ending January 13, 1967 and the budget for the coming year as approved by school committee and budget committee is presented below. If anyone cares for a more detailed report of expenditures, please feel to call at the office of the Superintendent of Schools.

WALTER R. LEACH, Supt.

The six towns comprising the Flanders Bay Community School District have some mutual problems that are of vital concern to all towns and to the future of the children within these towns.

Our first concern should be for improving the educational opportunities and advantages of our young people with the hopes of having an accredited secondary school at Sumner Memorial High School. I believe the faculty at Sumner High to be strong and for the most part they are each striving to do the best possible for the young people under their direction. The program of study compares favorably with most schools of its size and we are in hopes of improving the curriculum even more so that the education of your children may be broadened.

Before this is possible, however, there are educational advantages that must be newly introduced to the school and others that should be improved upon. In a day of rapidly advancing educational standards, the so-called "frills" of the past become a "necessity" for the future. No matter how remote the area or how small the school, the truth remains that these children, throughout their lives, will be competing with individuals who have attended school in larger areas and who have been subjected to a more complete educational background.

With this fact in mind, I offer the following comments on "musts" for Sumner Memorial High: 1. Library facilities and a librarian. 2. Add to and improve the music program. 3. The addition of a Guidance Counselor to the staff. (This should be extended down into the grades) 4. Additional personnel in the Mathematics department. 5. Expansion in the Commercial Department so that it may be recognized as a Vocational Course by the Department of Education, thereby making it possible to train students in the operation of modern machines now being used in most offices,

banks and industry. 6. A new identity for the Home Economics and Industrial Arts Courses. The program of studies in these areas should be attractive enough to encourage better students to enroll in the courses. From these courses he should get the subject background for college entrance so that he may enter the school of his choice in a specialized field. It is fine to have a year or two of general training in these areas for all students but the last two years should be for vocational purposes. It is my sincere hope that these two departments may be recognized for their worth instead of considered a place for students who have no wish for furthering their education, or for individuals with a lesser degree of intelligence. 7. There should be consideration given to providing an adequate kitchen and an area for eating. This room might also serve as a music room and a study hall. 8. We should adopt a salary scale for teachers in all of the towns, and, we must improve the schedule at Flanders as it is now impossible to employ teachers at the minimum of that scale, and we will soon begin to lose teachers as the scale does not compare favorable with those in other towns.

There are presently bills in this session of the legislature, which, if enacted, will make it mandatory to offer a program for five year old children. At present there are overcrowded conditions at Gouldsboro, Winter Harbor and Sullivan. If it becomes mandatory to offer a program for five year olds, there will be overcrowded conditions in all towns with the exception of Sorrento. Should the towns be forced to build on their own capital, it will cost more per town to supply needed space in the individual towns than it would cost to expand at Flanders Bay Community School District as State Aid is available to the District for additions to the school.

My first recommendation for providing the needed

space for a better program would be the formation of a school administrative district in which we would receive about 44% building aid and a bonus of 10% on our operating costs. This plan was not met with favor in some of the towns. The second best plan, in my estimation, is the enlargement of Sumner High to provide extra space there and to build room enough to house grades 7-8. Under this plan we would receive building aid of 44%. This plan was also defeated at special town meetings.

If we accept this decision as final, there remains nothing else to do but to have individual towns build on their own, and this perhaps will mean no additional space at Sumner High. Such action would be extremely unwise, especially if the towns not offering a kindergarten program should be required to build another classroom for this purpose.

It has been a pleasure to work with the Superintending School Committee and Trustees of the Flanders Bay Community School District. Basically, we have the same common interest--to furnish the students with the best possible educational opportunities. We trust that we may receive the cooperation of all towns, and the citizens of these towns, so that our interests may become actualities at the most advantageous financial arrangements for all concerned.

The trustees have had a new stainless steel sink installed in the cafeteria, and during the Christmas vacation the gymnasium was given two coats of paint. I believe everyone appreciates the "new look". Because of annual improvements, renovation to the Laboratory, and the Addition of the new Shop, the Trustees are now holding property in excess of the amount originally authorized. Therefore, the towns should vote to increase the value of property that the trustees can hold to \$300,000.00 and if there is any possibility of adding classrooms for high school students the value should

be increased to \$500,000.00. You would, in no way, be committing yourselves to a building program by taking this vote.

AUDITOR'S REPORT

A. P. STEWART

Accountant and Auditor

Milbridge, Maine

May 3, 1966

Board of Trustees

Flanders Bay Community School District

Sorrento, Maine

Gentlemen:

In accordance with Title 30, Section 5253, Revised Statutes of 1964, an audit has been conducted of the financial records of the Flanders Bay Community School District for the fiscal year ended December 31, 1965.

The examination was made in accordance with generally accepted auditing standards that pertain to governmental accounting.

Audit analysis was on a basis consistent with that of the preceding year and included such tests of the accounting records and other auditing procedures as were considered necessary in the circumstances.

The financial and statistical sections incorporated in this report present the results of the District's financial operations for the period indicated.

Very truly yours,

A. P. STEWART

APS:mps

COMMENTS

An audit has been completed of the financial records of the Flanders Bay Community School District for the fiscal year ended December 31, 1965. The audit included an examination of the records maintained by the Treasurer of the District.

The cash balance at the close of the year was reconciled with the statement of the Union Trust Company of Ellsworth as of December 31, 1965. Receipts, disbursements and supporting data were examined.

The annual bond payments of \$8,000.00 were made from funds assessed for that purpose. Payments of \$5,400.00 were made on outstanding notes.

It is believed that the accompanying balance sheet, together with related exhibits and schedules, fairly presents the financial position of the Flanders Bay Community School District as of December 31, 1965.

AUDITOR'S REPORT

GLEASON & DOW

Accountants & Auditors

75 Main Street

Ellsworth, Maine 04605

January 25, 1967

Board of Trustees
Gouldsboro School District
Gouldsboro, Maine

Gentlemen:

In accordance with Title 30, Chapter 241, Revised Statutes of 1964, an audit has been conducted of the financial records of the Gouldsboro School District for the fiscal year ended January 10, 1967.

Our examination was made in accordance with generally accepted auditing standards applicable to municipal auditing.

Financial statements were prepared on a basis consistent with that of the preceding year and included such tests of the accounting records and other auditing procedures as were considered necessary in the circumstances.

In our opinion the enclosed financial statement present fairly the financial condition of the Gouldsboro School District at January 10, 1967.

Respectfully submitted,

GLEASON & DOW

AUDIT COMMENTS

An audit has been made of the financial records of the Gouldsboro School District for the year ended January 10, 1967. Our audit included an examination of the records maintained by the Treasurer of the District. We confirmed the bank balance directly with the depository bank and the notes payable with the lending institutions.

The cash balance at year-end was reconciled with the statement from the Union Trust Company, Ellsworth, Maine. The check book was in agreement with our reconciliation. Receipts, disbursements and supporting data were examined.

Assessment made by the District to the Town of Gouldsboro amounted to \$7,900.00. Of this amount \$6,195.07 was expended during the year. The unexpended cash difference is reflected in the Treasurer's checking account at year-end.

The equity in fixed assets amounts to \$70,139.99 at January 10, 1967 or an increase of \$6,704.93 over the previous year. This increase was caused by the annual retirement of the \$5,000.00 note and the excess of the assessment over the cash expenditures amounting to \$1,704.93.

We found a complete set of books are maintained by the Treasurer and these books accounted for all the transactions affecting the Gouldsboro School District for the ensuing year.

NURSING SERVICE REPORT

I herewith submit a brief report of the service rendered the town of Gouldsboro by the Flanders Bay Health and T. B. Association for the period beginning January 1, 1966, and ending December 31, 1966.

A complete school health program, consisting of routine school inspection of grade pupils, immunization clinics for both school and pre-school children to protect them against polio, diphtheria, whooping cough, tetanus, and smallpox was conducted. A Measles clinic was held at the Rec. Center in Sullivan; oral polio vaccine is now being used at all clinics.

The Union's new audiometer is proving very useful. Routine testing is given students entering school for the first time, 8th graders, and Seniors. Pupils referred by the teachers and pupils transferring from other schools are also tested.

The State X-Ray T. B. Clinic at Ellsworth has been discontinued. School personnel now have to be x-rayed or receive a negative Mantoux test. An arrangement was set up by Dr. Elliot Stadler with the Ellsworth Hospital for school personnel to be x-rayed for \$5.00 each. Pupils who work in the lunch rooms of the various schools receive the Tine test; all were negative for T. B.

School Inspection Report

Pupils Inspected - 198

Pupils O. K. - 91

Pupils corrected since last inspection - 28

PUPILS DEFECTIVE

Teeth - 85

Throat - 23

Cod Liver oil pills, furnished by the Seacoast Mis-

sion, are available at school for a very small fee. Pre-school children may also receive them from school.

A special program was conducted by the State Department during a strep throat epidemic. Dr. Stadler from the Medical Center held a meeting for the parents of those found positive in our Union, and they were given medication at a reduced cost.

SUMNER HIGH NEWS

All the entering class, as well as pupils going out for sports, received a physical examination by Dr. Stadler. Urine testing was added to the program. Notices of any abnormalities were sent to the parents.

The upper three classes received the hearing test-197 students. Seniors and some teachers received the Tine test for T. B. The positives were x-rayed at Ellsworth Hospital. No active T. B. was found. 248 pupils received a vision test given by the nurse.

During the year, 9,534 miles have been traveled by the nurse in connection with clinics, home visits for the five-town Union, visits to give treatment and medication as ordered by the doctor. Visits were also made to pupils once cared for by the nurse who are now at Maplecrest or Urann Nursing Homes.

Welfare and Social service are part of the program. I wish to extend thanks to all who have helped in any way with special mention for the fine co-operation of Dr. William Lumley, members of the school board, Superintendent of Schools, Committee members, teachers, and parents.

Respectfully submitted,

Flanders Bay Health & T. B. Assoc.

CLYE H. RICKER, R. N.

THE WARRANT

HANCOCK, ss.

STATE OF MAINE

To Robert McKenna, Constable of the Town of Gouldsboro in said County.

Greetings:

In the name of the State of Maine, you are hereby directed to warn the inhabitants of said Town of Gouldsboro, qualified by law to vote in town affairs, to meet at the Town House in said Town on Monday, the 6th day of March, A. D. 1967, at 10:00 o'clock in the forenoon, to act on the following articles, to wit:

Article 1. To choose a Moderator to preside at said meeting.

2. To fix the salary of the Town Clerk for ensuing year.

Budget Committee recommends that salaries of all Town Officers remain the same as in 1966, except Tax Collector and Treasurer.

3. To choose a Town Clerk for the ensuing year.

4. To act on the report of the Town Officers and Commissioners.

5. To fix the salaries of three (3) Selectmen for the ensuing year.

6. To choose three (3) Selectmen for the ensuing year.

7. To fix the salaries of three (3) Assessors for the ensuing year.

8. To choose three (3) Assessors for the ensuing year.

9. To fix the salary or salaries of an Overseer of the Poor or Overseers for the ensuing year.

10. To choose an Overseer of the Poor or Overseers for the ensuing year.

11. To fix the salary of a Tax Collector for the ensuing year.

Annual Town Report

12. To choose a Tax Collector for the ensuing year.
13. To fix the salary of a Treasurer for the ensuing year.
14. To choose a Treasurer for the ensuing year.
15. To fix the salaries of members of the School Board.
16. To choose a member of the School Board.
17. To choose a Trustee for the Gouldsboro School District for the next three (3) years.
18. To choose a Trustee for the Flanders Bay Community School District for the next three (3) years.
19. To choose one or more Road Commissioners for the ensuing year.
20. To choose a Constable for the ensuing year.
21. To choose a Fire Chief for the ensuing year, and fix the salary.
22. To choose a Budget Committee for the ensuing year.

1966 BUDGET COMMITTEE

Ellis Bishop, Chairman

Chandler Noyes	Daniel Stevens
Frank Gerrish	Charles Stinson
Earle Tracy	Richard Shaw
Robert Ross	

23. To choose all other necessary Town Officers:
 - Fence Viewers
 - Surveyors of Lumber
 - Fire Ward or Wards
 - Measurers of Wood and Bark
 - Harbor Master
24. To see if the Town will vote when the 1967 taxes shall be due.
25. To see if the Town will vote to charge 6%

interest on all taxes not paid before January 10th, 1968, retroactive to December 1st, 1967.

26. To see if the Town will vote to authorize the Selectmen to sell and dispose of all tax titles held by the Town and execute quitclaim deeds for same.
27. To see if the Town will vote to authorize the Selectmen and Treasurer to issue general obligation securities of the Town for the purpose of funding or refunding certain notes of the town due now or to become due during the municipal year 1967.
28. To see if the Town will vote to raise the sum of \$1,443.82 for the purpose of paying the School Bus Note.
29. To see if the Town will vote to buy an additional School Bus.
30. To see if the Town will vote to authorize the Selectmen to borrow a sum of money to pay for the School Bus.
31. To see if the Town will vote to authorize the Trustees of Gouldsboro School District to make renovations and to add classrooms with necessary facilities to the existing Grammar School not to exceed \$80,000.00.
32. To see if the Town will vote to raise a sum of money for the following:

Administration:

Budget Committee recommends \$5,400.00

Fire Protection, including Maintenance and repairs of equipment and buildings:

Budget Committee recommends 2,000.00

Street Lights:

Budget Committee recommends 1,603.50

Insurance on Town Buildings:
